The Entry of the Mother of God into the Temple  
**Troparion, Tone IV:**

Today is the foreshadowing of the good pleasure of God, and the herald of the salvation of men. The Virgin is revealed in the Temple of God, and before the time she announces Christ to all. Let us therefore cry to her with mighty voice: Hail, thou fulfillment of the Creator's dispensation!

**Kontakion, Tone IV:**

The all-pure Temple of the Saviour, the precious Bridal-Chamber and Virgin, the sacred treasure of the glory of God, is led today into the house of the Lord, and with her she brings the grace of the divine Spirit. Of her God's angels sing in praise: She is indeed the heavenly Tabernacle.
